**SPECTATOR BUSES**

The following criteria will govern whether or not a spectator bus goes to away athletic events:

1. A number of students sufficient to cover the cost of a spectator bus must sign up to have a bus provided for their transportation.
2. District funds will not be used to supplement any deficiencies in cost to spectator buses.
3. The District Administrator shall be the final authority as to permitting adults to ride fan or player buses, assigning staff or adult chaperones or if special circumstances exist that may require cancellation of spectator buses.
