March 15th, 2020

This message serves as a reminder that all Port Edwards Public Schools will not be in session beginning Monday, March 16th, 2020. Although classes will not be taking place, the buildings will be open on Monday and Tuesday from 8am-3pm for students and/or parents to pick up materials, medications, or other personal belongings.

Teachers will be contacting you with additional details regarding educational resources and requirements for each grade level/classroom by Wednesday, March 18th. If you have not been contacted by a specific teacher by Wednesday, please contact our elementary or middle/high school office.

We are working on plans to provide students in need of "to go" meals during this time as well. More information will be coming soon on times and locations.

Please note that during the week of Spring Break (March 23-27th), there will be no educational requirements or meal service.

Thank you for your flexibility and understanding during this time.

Improving America's future ... one student at a time.
