Port Edwards Education Foundation

2019 Annual report

The Port Edwards Education Foundation had another great year. PEEF raised \$22,586 and funded 13 grants totaling \$19,730. As this foundation moves into its 24th year of fundraising and awarding grants, we must pause to thank Ed Heuer for his unwavering support and dedication as the president of this organization since its inception. The fact that this support comes directly on the heels of his lifelong career as an educator and administrator warrants additional thanks and commendation. It is an honor and a challenge to follow in Mr. Heuer's footsteps, and I am encouraged by his continuing service to this board and our community.

Thanks to you, the donor, for your support during our annual fund drive and golf scramble. The continuing success of these pursuits allows this board to award grants submitted through our dedicated faculty and staff. This culminates in a diverse, robust learning environment for the betterment of our students.

On behalf of the faculty, students, and this board, thank you.

Sincerely,
Corey Searles
Foundation President
